

ETIMESHEET

## Welcome to the future of labor time entry.

Automate your company's payroll process with Jonas e-Timesheets, a web based solution for logging labor hours remotely. Hosted by Jonas – so there's no software to install or maintain – the online labor time entry system is an easy-to-use and efficient system to help you manage your most valuable resource – your staff.

This addition to Jonas will benefit those contractors that have remote crews or service personnel with a need to report time to a centralized payroll. In addition to promoting a paperless work environment there are a number of other benefits to an online payment process, many of these features and benefits are outlined below.

Features	Benefits
<b>Payroll Entry Permissions</b>	Users can only enter to designated: <ul style="list-style-type: none"> <li>• Companies</li> <li>• Payrolls within that company</li> <li>• Specified Earning and Deduction Codes</li> </ul>
<b>User Entry Permissions</b>	Users are granted authorization to enter time for themselves and/or other users (foreman could enter for a crew or individuals could enter their own time)
<b>Designated Allocations</b>	Users are granted authorization to enter time to specific: <ul style="list-style-type: none"> <li>• Companies</li> <li>• Jobs</li> <li>• General ledger accounts</li> </ul>
