REFERRAL FORM

Get \$1000 per referral!

Over the years Jonas has had excellent success with client referrals. We have always found that opportunities forwarded to us from existing Jonas users are more receptive to the idea of installing new software. In an effort to increase the number of referrals we get and to thank those clients that provide them, we have created a formal referral program for all Jonas clients. Through this referral program we will provide a \$1,000 credit to any client that provides a referral that goes to sale. This credit may be applied against any Jonas product or service including New Modules, Training, Annual Maintenance and Custom Programming.

Referral Guidelines

1. You are eligible for a referral bonus on any referral you provide that goes to sale. If your referral purchases Jonas a credit of \$1,000.00 will be put on your account, after the full license has been received.
2. You can refer as many prospective Jonas clients as you like. You will receive a referral reward for each prospect that becomes a Jonas client.
3. Please note that Jonas will use your name and the name of your company when contacting those that you refer. Please only forward us names of people that are interested in learning more about our products and services.
4. To refer a potential client, please complete this form and return it to Kevin Sharma via email (kevin.sharma@jonassoftware.com) or fax (905-763-0527)
